

## **Traineeship Programme April 2024**

### **Corporate Services (CS)**

#### **Description of the Unit**

The Corporate Services Unit supports the operational work of the Agency enhancing its ability to function as a best practice, knowledge-based, lean and service-oriented public body as well as to create and sustain a pleasant and appreciative working environment.

Its core tasks include a range of activities supporting the Agency's operations, such as human resources, finance, procurement, planning, quality, legal, digital services, and facilities.

It is composed of five areas of work:

- **Finance & Contracting Sector**

It provides financial services, contributing to the effectiveness, efficiency, and economy of operations, ensuring sound financial management of the Agency's financial resources, and compliance with the applicable financial rules. The sector also provides reliable financial management reporting to the Agency's management to facilitate the decision-making process. It is responsible for the sound implementation of the procurement procedures (purchasing at the most economic advantageous tender) as well as following up on the contracting side.

- **Digital Services & Facilities Sector**

The Digital Services & Facilities Sector is responsible for the provision of uninterrupted IT services, the digital transformation of the Agency's procedures, the development of office automation tools, and the provision of "state of the art" applications to support administrative and operational activities of the Agency.

- **Human Resources Sector**

The Human Resources Sector provides all-round HR services for staff and supports FRA to attract, motivate, develop, and retain qualified employees. It fosters an inclusive, rewarding, and high performing work environment to support the Agency in achieving its mandate.

- **EU Agencies Network Coordination (EUAN) and Planning and Monitoring (P&M)**

The FRA Focal Point for the EU Agencies Network Coordination (EUAN) is the Agency's area of work under the Corporate Services unit responsible for the coordination of activities required to ensure that FRA successfully fulfils its role as member of the EUAN by following up on their requests, both externally and internally, and for FRA's work in follow-up on the Budgetary and Discharge procedures conducted by the European Parliament.

P&M is responsible for planning, monitoring, evaluation and reporting documents, covering the full range of activities undertaken by the Agency, such as FRA Strategy, Programming Document and Annual Activity Report. Moreover, it monitors FRA performance and evaluates project results. It organises stakeholder consultations for key planning documents.

### **Which tasks are expected in this unit?**

Depending on the sector, team or area of work, the tasks would include some of the points mentioned below:

- Support in the **procurement procedure cycle** (Finance and Contracting);
- Update of **financial and budget reports** (Finance and Contracting);
